When the candidate receives an examination score of seventy percent (70%) or higher, they will be allowed to view and print their personal CFP certification. Regardless of any candidate's score, all examination results are held confidential. FMC CFPM examination scores are graded electronically through the Food Managers Certification system. If a candidate feels that the grade received is not correct, Food Managers Certification can hand grade the candidate's FMC CFPM examination at a cost to the candidate of \$100. Hand graded FMC CFPM examination scores cannot be contested.

Indeterminate scores may be obtained for many different reasons; including, if the candidate fails to complete the examination due to personal reasons, or if the proctor service internet service is interrupted, or the candidate fails to complete the exam in one complete session.

Along with the Candidate's scores, Areas of Deficiency will also be shown to the Candidate to inform them of food safety learning areas they made need to focus upon.

Candidates who wish to share their score and Areas of Deficiency may do so by utilizing the email feature when viewing their score and Areas of Deficiency.

## Candidate Survey

Candidates are encouraged to take the survey after they have completed their examination to tell FMC about their experience at the testing facility and interaction with the examination proctor. The survey will be available when viewing the examination

results.

## Retaking the Examination

Each candidate will have one (1) “Exam Opportunities” attempts to successfully pass the exam. If the examination is not successfully completed with a seventy percent (70%) or higher passing score, within the 1.5 hours (90 minutes), then the candidate must repurchase the examination, reschedule the examination assessment and successfully pass to become properly certified. The candidate will need to retake the ANAB-CFP Accredited FMC CFPM Certification Examination and successfully pass to obtain a valid certificate.

## Recertification of Food Managers
